Colpoy's Bay WI presents Kim Beggs in Concert

Date and Time: Saturday, April 11 7:00 pm - 9:30 pm

Address: 225 Bruce Road 9, South Bruce Peninsula, ON N0H 2T0

The Colpoy's Bay WI is happy to host musical artist Kim Beggs on Saturday, April 11 at the Colpoy's Bay WI Community Hall.

Doors open at 6:30, show begins at 7:00pm.

Tickets are \$25 and are available through TicketScene

<https://www.ticketscene.ca/events/57940/>

or by contacting the Colpoy's Bay WI (colpoysbaywi@gmail.com, 519-534-3001)

Kim Beggs' honest, distinct and ethereal vocal approach - whispered remembrances, intimacies and strong empathy - is the conduit between introspective, poetic compositions and deliberately sparse arrangements, bringing to the mind the varied approaches of Neil Young and Nick Drake. Invoking her ability to weave informed observations into compelling songs replete with imagery and figurative allusions, Kim Biggs brings her perspectives to heartfelt vignettes with a liberating freedom of self-expression which married language to melody as few folk singers do, exploring traditional structures while establishing an amplifying her approach to modern, folk-based Americana. She embodies the personas of her characters - a trucker, Mother Earth, or a lover and strips the artifice, exposes life's harsh backbone and, just before things get too bleak, she'll "fill your little tin cup with some stuff".

Nominated for thirteen music awards, Kim continues with her album, *Beneath Your Skin*, to explore her world and the people, emotions and events that inspire her.

<https://www.ticketscene.ca/events/57939/>

Or by contacting the Colpoy's Bay Women's Institute (colpoysbaywi@gmail.com, 519-534-3001)

Zachary Lucky is the genuine article - unapologetically old-school country, armed with a husky, baritone voice. The Grandson of Canadian Country Music pioneer Smilin' Jonnie Lucky, he often receives comparison to song writers such as Gordon Lightfoot and Kris Kristofferson. He sings of Canadian places and people as knowingly

as he might Townes Van Zandt or the Rio Grande. It's a relatable show on many levels, and conjures universal feelings that have passed through our collective timelines. Already hailed as a master storyteller by outlets ranging from No Depression to The Globe and Mail, Zachary is becoming a legend in his own right and has safely reserved his spot at the table of Canadian roots royalty.
